It's not every day that you wake up to the sounds of a roaring tiger. That's just what you can expect at Club Mahindra Corbett. Of course, here, the first thing you ought to do is an elephant safari. If the ride itself is not fun, wait till you catch sight of the elusive tiger. The variety of flora and fauna ensures that there is never a dull moment.

You can't get enough of nature here as you enjoy the gushing Corbett Waterfall. Or the serenity of the Kosi River. And if you should prefer it, simply escape into your own world while gazing at the Himalayan foothills.

Those who get a kick out of adventure sports must try rappelling, rock climbing and river rafting. Enjoy evenings filled with fun family games, karaoke, ethnic performances, talent and music shows. You won't run out of entertainment here.

No journey down the great Indian jungle trail is complete without a visit to the famous land of teaks and tuskers. Thekkady as we know it is home to all things wild and wonderful. As you arrive at Club Mahindra Thekkady, you'll see what we mean.

To start with, you'll be staying in a rustic cottage built on stilts. If that doesn't wow you enough, step onto your private balcony. The welcoming sight of deep woods rich with teak, orchards, cardamom and pepper plantations, will take your breath away. The forest reserve of Thekkady is home to an amazing collection of wildlife. The best way to spot it up close

is by taking a boat ride down the Periyar, or even better, take the bamboo raft. Apart from this, you'll get to go on elephant rides, tea and spice plantation tours and nature walks.

Not in the mood for the woody outdoors? Chill, we have an abundant collection of books to keep you company. You could also head over to the Svaastha Spa and get a soothing Ayurvedic massage. Nevertheless, you must venture out to watch the elephants play in Periyar Lake. It is a sight that will stay with you forever.

Masinagudi

A jungle lodge, Club Mahindra Masinagudi is located on the Tamil Nadu- Karnataka border. Set in the shadows of the Nilgiri Mountains and surrounded by the beautiful Mudumalai Forests, it's the perfect place to experience the best of the wildlife. Wake up to birdcalls and venture out into the jungle to see spotted deer, bears and boars. Or hop on a tame elephant, Mowgli style, and go on a safari.

For a more thrilling time, opt for night trekking or have a blast at the Forest Department Elephant Camp, where elephants are looked after and trained. In fact you can even feed them, under supervision of course.

That's not all. At the resort, you and your family can enjoy activities like cooking, magic, pottery workshops, yoga as well as interesting board games that guarantee a fun-filled stay for your family. In fact, you can even participate in a live demo of Kalaripayattu, an ancient Indian martial art form and show off some new moves to your friends back home. With so much action in store, this jungle resort is just what you need for an awesome vacation.

Gir

A popular getaway located in the Junagad district of Gujarat, Gir is the sole home of the Asiatic lion. On the outskirts of the sanctuary and spread across 4.5 acres lies Club Mahindra Gir.

True to its name, the resort promises a wild holiday. Put on your trekking boots, grab your camera and binoculars, and venture out into the jungle on a jeep. There, you'll spot majestic beasts of the wild like leopards, sambar, antelopes and chinkara gazelle. However, the real thrill is when you come face to face with the Asiatic lions and watch them roar.

It's a dream place for naturalists with a lot of bird watching, nature trails and sightseeing to do. Inside the resort, a whole lot of fun awaits you. You can discover the secrets of exotic cuisines from local chefs; learn a magic trick or two, or dabble in pottery and puppet making. Really, the choices here are endless. With so much to explore, look at and do, Gir promises you the best edge-of-the-seat experience ever.

Play it cool.

Kanatal

Towards the northern tip of the country, lies a hamlet offering breathtaking views of the snow-covered Himalayas. That's the setting of Club Mahindra Kanatal, your perfect hillside getaway.

While its perfect year round, winter is an especially beautiful time to pay a visit here. Its crisp, cool and the softly falling snow douses everything in sight with its white magic. Run about, catch a snowflake or two on your tongue, launch a snowball fight with your pals or simply roll about in the snow. You can even go rappelling down those snow-covered rocks. It's rather fun. After all that mischief in the snow, head straight to the temperature controlled swimming pool. After a long, luxurious soak, it's time to indulge that rather demanding tummy at the multi-cuisine restaurant.

For sightseers, there are plenty of places to visit near Kanatal. Go for a day trip to Mussoorie or make an excursion to the Tehri Dam. Religious or otherwise, visit the sacred Surkunda Devi Temple, it's a spot you simply cannot afford to miss. On a perfect day, you can even admire the view of the Himalayas from here. Caught yourself making plans to come back again? Plan away. We are not going anywhere.

Dubai

Want to take your family on an unforgettable holiday abroad? We have just the place for you. At the heart of the United Arab Emirates lies a land, pulsating with life. Dubai is exotic, modern and has an unapologetic passion for luxury. And you can enjoy it all at Club Mahindra Dubai. With warm hospitality, cozy rooms and private balconies, you can spend hours admiring the glittering city lights of Dubai. Afterwards, when you begin craving for those delicious munchies, head over to our 24x7 coffee shop and try some favourite local snacks over a cup of Arabic coffee or kahwa.

Shopping in Dubai is a wonderful experience. There are huge malls across the city where you'll find almost everything from all over the world. That is if you can tear your eyes off the amazing skyscrapers all around you. The Burj Khalifa, of course, is the star attraction of Dubai.

However, none of these experiences can compare to spending a moonlit night on a desert safari. Nothing beats riding a camel deep into the endless desert. In the evening, set up a camp and feast like the Arabs do, in the company of twinkling stars, the vast desert and shimmering belly dancers.

Take a quick flight to Asia's premium beach destination, with crystal clear waters, stunning scenery and an electrifying night life. Standing 23 storeys tall in the middle of the city lies The Pattaya Hill Resort, offering a breathtaking view from its sky lounge.

It's the perfect romantic getaway. Spend some intimate time with your loved ones at our open air Jacuzzi and then relax your senses in the Thai steam room. Make reservations for a family dinner at Le Saigon Vietnamese Restaurant on the 23rd floor overlooking the Pattaya Bay.

What next? Dive into the deep seas without getting wet. We're talking about taking a submarine ride with your family. Feel free to swim to any nearby island on a whim. Spend an entire day at the beach, laze on the sun beds, enjoy the water sports or take a boat trip across the coral islands.

On your fun day out, first visit the Pattaya Crocodile Farm and feast your eyes on the gigantic crocodile round-ups and animal performances. It's a treat for the entire family. Later, stopover at Pattaya Water Park and slide down those thrilling rides. Your lovely holiday is just beginning.

Pattaya

Bangkok

Loud and chaotic, Bangkok is completely delightful. And right in the midst of this enchanting confusion is Club Mahindra Bangkok. With rooms decorated in true oriental style, staying here brings the Thai experience closer to you. Once you are rested, put on your walking shoes and prepare to take on this city on foot. Stop a while to marvel at the wonderful khlongs or canals that weave through suburbs, forest parks and ancient Buddhist temples. Or hire a long tailed boat or 'sampan' and drift languidly down tree-lined canals.

But enough of the slow and unhurried. It's now time to explore the other side of Bangkok. The one jam-packed with traffic and charming tuk-tuks. Shopaholics, indulge. Because Bangkok is all about retail therapy. Tired already? We have just the remedy for you.

Take your favourite book and retire to the amazing rooftop garden. Or dive in the swimming pool for a few laps. Later, head out for some mouth-watering Thai food and give that growling tummy of yours a treat. Your Thai holiday is looking good already. Hurry up and enjoy every tiny second of it.

Synonymous with classical music, Austria is an amazing mix of cultured cities, slow-paced towns, enchanting castles and stunning alpine scenery. Ladies and gentlemen, that is the stunning backdrop of Hotel Bon Alpina, which nestles in the village of Igls, located a mere 4 kilometres away from one of Austria's most beautiful cities, Innsbruck.

The best way to explore this gorgeous place is on foot. It will take a while for you to take in all the beauty. Give it a moment. Take a deep breath and walk on. There's a long soak in the heated outdoor pool waiting to rejuvenate you. And when the crisp mountain air brings on those hunger pangs, let your stomach decide between any one of the three specialty restaurants to satiate your appetite. Still want

something more? You're in luck. There's a wonderful café for something sweet and savoury to complete that culinary escapade. Your Austria holiday is going to be a one of a kind experience. One that you wish will go on forever.

Malaysia

There's something curiously exotic about Kuala Lumpur. Brimming with excitement, great sights, distinctive cuisine and alluring suburbs, pack in the busy magic of this wonderful place right here at Heritage Suites, Malaysia.

With canals opening into a waterfront promenade flanked by shops, cafes and restaurants, you can book your holiday here knowing there's a flavour for every palate. Once you've had your fill of the delectable cuisine and some delightful shopping, prepare yourself for an unforgettable culture trip.

Begin at the affluent National Art Gallery and marvel at the various facets of the Malay culture. Later, head to the spectacular National Mosque and admire beautiful traditional Islamic art and calligraphy. Also, don't forget to visit the Sultan Abdul Saman building as well as the Rumah Penghulu Abu Seman building.
